

JULY 2026

AEUNA Pastors and Wives Picnic

A Day to Enjoy God's Creation, Fellowship, and Praise the Lord

On July 18, a group of AEUNA pastors from the Los Angeles area and their wives gathered at Bonelli Park in San Dimas, California. It was a wonderful opportunity to enjoy fellowship, strengthen their connections with one another, and build closer relationships. They also spent the day enjoying God's creation, sharing delicious food, playing games, singing worship songs, and praying together. Our joyful worship attracted the attention of others in the park, including several families who were having picnics nearby.

Many thanks to Rev. Hagop Haroutunian and Nune for organizing the event, the games, and the worship time. We also thank Rev. Ara Mkhitarian, Rev. Hovhannes Hovsepyan, and their spouses for preparing the delicious food. We returned home refreshed, grateful for the time we shared together, and with wonderful memories, looking forward to many more gatherings like this in the future.

A Final Summer, an Enduring Ministry

As another summer at Camp AREV comes to a close, our hearts are filled with gratitude for all that God has done. Each summer reminds us

that camp is about far more than games and activities. It is a place where the distractions of everyday life become quieter, God's Word comes alive, and young people are invited to make a personal decision to know, love, and follow Jesus Christ with all their hearts. [read more](#)

Summer Picnic

Our Bible lesson and theme for our 2026 Summer Picnic: Luke 5:1–11
“Follow Jesus, share His love, and help others find their way to Him!”
Just like Jesus called His first disciples to be fishers of men, we can show His love through kind words, helping hands, and joyful hearts. Let's follow Jesus together and invite others to know Him too!

AMCC hosted its annual July 4 Picnic on the church grounds and in the air-conditioned hall. Despite sizzling temperatures outdoors, nearly 40 volunteers served shish (lamb)/chicken, and lulé kebab (along with tasty side dishes and desserts) to a crowd of more than 500 picnickers who came from the greater Philadelphia Armenian community. It's "The Picnic That Brings People Together."

This month, CACC hosted Rainforest Falls Vacation Bible School! We also had an Independence Day celebration after church on the 5th where they enjoyed fellowship and lunch outside.

We currently have a 4 week long All church Zoom Bible Study on the topic of "Growing in the Life of Prayer" which many are attending and enjoying!

Mr. Vartan Moumdjian, the Vice president of the Board of the Central Armenian Evangelical Church of São Paulo is recognized for his services. We thank God for his tireless dedication and appreciate his services to the Church, Community and Armenia.

From the Commissioner for Diaspora Affairs, Republic of Armenia
in Rio de Janeiro, Brazil:

Mr. Moumdjian exemplifies leadership built through service. Born in Montevideo, Uruguay, he became an active participant in the Armenian community at a young age, dedicating decades to preserving the identity, culture, and values of the Armenian people in the diaspora. [read more](#)

Dr. Hrayr Jebejian Visits South America

Dr. Hrayr Jebejian, the General Secretary of The Bible Society in the Gulf, a close friend and a colleague in God's mission, during his recent trip to South America visited two AEUNA member churches. On July 23rd he preached at the Central Armenian Evangelical Church of Sao Paulo. In the absence of the church pastor, Rev. Dr. Roy Abrahamian, elder Armen Jahadian and vice chair of the church council, Vartan Moumdjian were very welcoming during the service and afterwards. Dr. Jebejian writes "these two leaders are so committed in serving our community in Sao Paulo and deserve the best acknowledgement for their dedicated ministry."

On July 30th Dr. Jebejian preached at the First Armenian Evangelical Church in Montevideo, Uruguay. About his visit he writes: "The pastor, Rev. Dr. Obed Boyajian, is the devoted senior pastor who tirelessly aims to keep the ministry of the church alive and lively. In spite of the small number of the community, the church continues to render its ministry." We appreciate Dr. Jebejian for his visit which was an encouragement to the church members.
